In Stock | New

Overall: 16"h x 9.25"dia.

Finish: Black / Yellow / Green / Red

Materials: Porcelain

Item Weight: 11 lbs.

The Zeal Multi-Colored Vase is crafted from porcelain with a richly textured tan surface ornamented with patterns in black, green, and red that create a striking contrast. The layered colors and hand-finished detailing bring the refined jar shape a sense of movement and energy that culminates at the top in a tiny neck.

The boldness of the brushstrokes suggests an abstract expressionist influence.
