## Jardin Cabinet

3000-0304

*In Stock | New*

Overall: 40"w x 20"d x 38.5"h

Finish: Walnut / Antique Brass

Materials: Teak Wood / Brass

Item Weight: 196 lbs.

The Jardin Cabinet was created in the tradition of repoussage — a painstaking and laborious process that involves creating low-relief panels with raised motifs onto which thin brass sheets are hammered to reveal the visual richness underneath. In this case, the doors and frame are made of reclaimed teak, finished in walm walnut. The metalwork is rendered in an antique brass finish. This is a tall cabinet, standing 38.5 inches high.
