In Stock | New

Overall: 21.5"h x 11.75"dia.

Finish: Natural / Natural Brass

Materials: Alabaster / Brass

Item Weight: 27 lbs.

The Eleanora Drinks Table has a telescoping body composed of stacked alabaster segments that are separated by rings of brass. The disc of alabaster that forms the tabletop rests on a brass disc into which the top fits snugly, mimicking the thickness of the other rings. The base is a smaller alabaster disc that anchors the white stone table.
