Socket Type: Integrated LED

6/6

Cord: 2' Black/White

The Brenham Small Brass Wall Sconce features a central band of cast brass in a vintage brass finish that secures two alabaster tubes—one above and one below—to the wallplate. The natural veining in the alabaster gives each fixture unique character, with subtle variations in tone and pattern. Designed for versatility, the sconce can be mounted horizontally or vertically, though it is not dimmable.
