Cord: 13' Clear Silver

The Barrington Chandelier is a study in restraint with its implied upturned bowl-shape covered in pebbled cream leather. Adding to the lightness of this design are the slender rods that hold the fixture in place. The simplicity of the bulbs also contributes to the chandelier's classic feel. The buckle-like hardware and the bobeches are in a brushed brass finish for a gleaming contrast to the pale leather.

This eight-light fixture is dimmable.
