Cord: 13' Black

The Bothy Outdoor Pendant has a shade made of cast concrete with a subtle pebbling in the surface to bring it a modern farmhouse appeal. The fact that the fixture is wet-location tested and is fitted with metal hardware with a black powder-coated finish, the Bothy is perfect for lighting patios, loggias, and porches. The milk-glass globe creates a glow on the interior of the shade and the concrete is polished on the shade's edges after the casting is set for a sophisticated smoothness.
