Item Weight: 12 lbs.

Number of Lights: 1

Suggested Bulb: G Globe

Socket Type: E12

60/60

Cord: 1' Black/White

The Bothy Outdoor Wall Sconce has a shade made of cast concrete with a subtle pebbling in the material to bring it a modern farmhouse appeal. Because it is wet-location tested and extends from metal hardware in a black powder-coated finish, the Bothy is ideal for lighting patios, loggias, and porches. The milk-glass globe creates a glow on the interior of the shade and the concrete is polished on the shade's edges after the casting is set for a sophisticated smoothness.
