Item Weight: 4 lbs.

Number of Lights: 1

Suggested Bulb: B Torpedo Tip

Socket Type: E12

60/60

Cord: 1' Black/White

The Boyd Nickel Wall Sconce is made of teak, which is accentuated with metal in a polished nickel finish that wraps around the corners of the rectangular shape and clads the back surface to make it appear mirrored. A block of teak serves as a bobèche to hold the candle-sleeve that is also in polished nickel. At 16.25 inches tall, the one-light sconce is damp rated and dimmable.
