Materials: Metal / Brass / Glass

Item Weight: 14 lbs.

Number of Lights: 1

Suggested Bulb: Integrated LED

Socket Type: Integrated LED

17/17

Cord: 1' Black/White

The Antares Flush Mount is designed with layered rings cut from iron tubing in varying sizes on a bias, which brings the gold flush mount added dimension. Finished in antique brass, the concentric bands surround a white glass diffuser that softens the light. When illuminated, the fixture casts patterned shadows across the ceiling, adding a textural effect to the space. This one-light fixture is dimmable.
