Socket Type: E26

150/150

Cord: 6' Clear Silver

Switch: 3-Way Turn Knob

Shade: Black Shantung

Shade Dimensions: 16.5" x 10"h

The Awakening Table Lamp is made of iron in a gold leaf finish, its thin stem rising from a round base with lotus-inspired blossoms branching outward. The hand-applied gold foil gives the surface a bright, textured appearance, enhancing the lamp's resemblance to a fountain of flowers. A black shade tops the design, providing a striking contrast to the luminous base. Due to the artisanal finish, the surface of each lamp could differ slightly.
