Socket Type: E26

150/150

Cord: 6' Clear Silver

Switch: 3-Way Turn Knob

Shade: Off-White Polyester

Shade Dimensions: 18" x 12"h

The Balustrade Table Lamp is made of iron in a mottled and distressed finish of light black and gold that was covered with a high-gloss to create sheen. Its body takes the form of a traditional square urn, reimagined in a non-traditional material. Stacked geometric shapes build upward to support a drum shade, blending classical influence with a modern edge. Due to the artisanal finish, the surface of each lamp could differ slightly.
