150/150

Cord: 8' Clear Silver

Switch: 3-Way Turn Knob

Shade: Off-White Polyester

Shade Dimensions: 19.5" x 22" x 12.5"h

The Haines Floor Lamp features a tall, slender brass stem in a bronze finish that echoes the tones of the black granite disc set into its stepped base. A vintage brass finish highlights the upper base and decorative globes positioned just below the drum shade to create a warm contrast to the darker elements. The mix of finishes and materials gives the lamp a traditional, two-toned character. Due to the artisanal finish, the surface of each lamp could differ slightly.
