Item Weight: 11 lbs.

Number of Lights: 3

Suggested Bulb: Integrated LED

Socket Type: Integrated LED

4/12

Cord: 1' Black/White

The Hennin Wall Sconce takes its cues from Mid-Century modern design with a striking angular frame in an oil-rubbed bronze finish. The metal structure is accented with a plumb-like detail and bobechees in antique brass, adding warmth and contrast to the darker frame. Each arm is topped with an elongated white glass shade fitted with integrated LED. Blending modern technology with a timeless silhouette, this chandelier balances crisp geometry with refined materials for a look that feels both classic and current. The three-light sconce is not dimmable.
