Suggested Bulb: Integrated LED

Socket Type: Integrated LED

6/6

Cord: 1' Black/White

The Aurora Wall Sconce will dangle from its spot on a wall like a classic earring filled with light. The alabaster diffuser that rings the interior metal oval with its racetrack shape is illuminated by integrated LED to create a remarkably uniform glow. The metal is finished in an antique brass and the shape of the slim keystone at the top introduces a subtle Egyptian feel. The Aurora is ADA compliant and it can be hung up or down. The sconce is dimmable.
