The Deauville Cordless Table Lamp was created by Suzanne Duin, who is known for sourcing antiques and home accessories from around the globe. Each piece in her line of woven light fixtures is handmade by artisans in Southeast Asia, the Deauville an example in natural seagrass and metal in a polished brass finish. The gold surfaces of this tailored portable lamp have subtle striations, and the stepped base and wide brass cap contribute to the lamp's French aesthetics. The fixture is dimmable.
