Cord: 13' Clear Silver

The Driftwood Whitewash Semi-Flush Mount is crafted from hand-selected pieces of natural driftwood in a whitewashed finish that are placed artfully onto a round frame. An acrylic diffuser and the sugar white finish on the wrought iron stem draw out the pale gray tones in the wood. The three-light fixture is a perfect choice for any home with a coastal or lakeside aesthetic. The Driftwood is dimmable to create softer moods at twilight or during the long winter evenings.
