100/100

Cord: 6' Clear Silver

Switch: 3-Way Turn Knob

Shade: Off-White Polyester

Shade Dimensions: 10" x 12.75" x 9.5"h

The Rosenberg Table Lamp features a curving body made of dark blue glass balanced on a very thin metal base in an antique brass finish. Its silhouette is modeled after a 1960s Scandinavian vintage design, capturing the era's elegant simplicity and a focus on organic form. The quality of the glass melds with the Mid-Century style to create a nostalgic profile. Because it is made of an artisanal material, its surface may vary slightly from lamp to lamp.
