82.5/83

Cord: 13' Black/White

The Oakwreath Chandelier features a slim metal ring in a polished antique brass finish that supports a crown of oak leaves made of clear molded glass. Each leaf is textured on the top surface, giving the design depth and detail when illuminated. Integrated LED lighting highlights the glass forms, creating a luminous wreath effect. With its low profile yet large diameter, the chandelier has a commanding presence and brings a refined, modern lodge character to a space.

The fixture is dimmable.
