Shade Dimensions: 8" x 16" x 8"h

The Mizner Table Lamp has an airy shape made of rods of metal in an antique brass finish that are banded together at the top and bottom, and cinched in the middle, to create a swelling profile. The fluted body rises from an optic crystal base toward the truncated empire shade that is fastened to the lamp with an optic crystal finial. The two-light lamp has dual pull-chains to enhance its streamlined traditional feel.
