The Woburn Wall Sconce has a bold torch-like silhouette made of iron in a gold ombre finish with a heavily textured surface. Its geometric arm combines a cone and cylinder form, supporting a hammered brown luster glass shade with a smoky, translucent quality. At 17 inches high, this single-light sconce makes a strong statement with its blend of sculptural shapes and rich materials. The Woburn is dimmable, and the artisanal treatment on the surface of each fixture may differ slightly from sconce to sconce.
