150/150

Cord: 6' Clear Silver

Switch: 3-Way Turn Knob

Shade: Off-White Linen/Hardback/Rolled Edge

Shade Dimensions: 17" x 19" x 12"h

The Sapphire Blue Table Lamp is a remarkable teal glass lamp that illustrates the artistry when fusing and marbling techniques are combined, as the marbling creates the patterns that seem to float on the surface and make it seem ocean-like. The depth of the glass is contrasted by the stacked optic crystal base and round finial, and the polished nickel hardware. Because this lamp is created using a highly artisanal process, slight variations will occur.
