Socket Type: E26

60/60

Cord: 2' Black/White

The Sudeley Wall Sconce features a cylindrical canister shade made of thick hammered glass that gives the piece both weight and texture. The glass is secured by a reeded iron band in a satin brass finish, adding a refined accent. Its wallplate has square edges that emphasize a modern profile, while the substantial glass shade diffuses the light with a soft, dappled glow. The one-light sconce is dimmable, and there will be subtle variations in the hammered glass from fixture to fixture.
