The traditional tole design of the Travelogue Navy Cordless Table Lamp brings timeless beauty to the gold and blue lamp with its trophy-shaped body, empire-shaped shade, and square base. As with fine examples of this artistic treatment, the surfaces purposefully reveal the hand of the artisan who created it. These brushed effects that are subtly textural enhance the portable lamp's appeal, while the rechargeable bulb provides cordless functionality. The fixture is dimmable and the tole surfaces may vary slightly from lamp to lamp.
