Cord: 8' Clear Silver

Switch: Foot Switch

Shade: Smoked Glass

Shade Dimensions: 4" x 14"h

The Severn Floor Lamp has a long thin shade made of smoked iridescent glass with interior ribbing to create an interesting textural glow. The thin stem that extends up from the oblong metal base in an oil-rubbed bronze finish arcs at the top to echo the shape of the rounded shade. The knob that ornaments the stem is for aesthetic purposes only and a tall bulb was chosen to enhance the illumination.
