100/100

Cord: 6' Clear Silver

Switch: 3-Way Turn Knob

Shade: Gray Polyester

Shade Dimensions: 5.5" x 19.5" x 10"h

---

The Malin Table Lamp is crafted from gray ceramic with a pronounced crackle glaze marked by dense stippling, which adds strong texture to the surface. Its rounded body tapers gracefully to the base, a form echoed by the tapered empire shade that is trimmed at the top and bottom to reinforce the lamp's balanced, cohesive silhouette. Because it is made of an artisanal material, its surface may vary slightly from lamp to lamp.
