Shade Dimensions: 8"w x 3.75"d x 5.25"h

The Trillium Wall Sconce is made of brass in a gold finish and accented with three optic crystals that extend above the shade like a blooming flower. Its narrow profile means the design is ADA compliant, while a simple stem extends below the shade for a clean, understated detail. The Trillium is dimmable to create softer moods after sunset when a muted ambience is desired.
