Item Weight: 20 lbs.

Number of Lights: 1

Suggested Bulb: 12" T10 Tubular

Socket Type: E26

60/60

Cord: 2' Black/White

The Verre de Mer Wall Sconce has a cascading shade made of sand-blasted glass that was hand-cut from recycled bottles to resemble seaglass. Each piece of this sustainable material is attached to the frame by hand, the wires wrapping around each requiring patience and precision to affix. The round metal frame, in a contemporary gold finish, holds layers of very pale glass that are illuminated by a single tall bulb to provide uniform light. The sconce is dimmable.
