Cord: 13' Gold

The Selavy Chandelier has a circular frame to which curvy fasteners have been secured by hand, both made of wrought iron in a contemporary gold leaf finish. These hold feather-shaped oblong pieces of recycled glass cut from wine bottles.

The overall effect is a glass floral coronet floating overhead with fanciful quills extending below the frame. Increasing the gold chandelier's charm is how the feathers undulate up and down slightly. The fixture has 11 lights and is dimmable.
