Switch: 3-Way Turn Knob

Shade: Off-White Polyester/Softback/Single Fold

Shade Dimensions: 16.5" x 10.5"h

The tone-on-tone pattern flowing along the surface of the elongated baluster-shaped body of the Zeta White Table Lamp is made in the Venetian tradition of Zanfirico, which was perfected by Murano glassblowers in the 19th century. Rods of glass are heated until they fuse and then pulled to create the markings. The white lamp is topped with a soft-back shade and there is a metal step above the optic crystal base in a polished nickel finish.
