1200-1093

In Stock | New

Overall: 17"h x 8"w x 7"d

Finish: Black / Green / Red / Yellow / Orange

Materials: Porcelain

Item Weight: 4 lbs.

The Fauvist Large Vase was inspired by the surrealist movement and the iconic work of American designer Hilton McConnico, who was known for his bold, whimsical approach to form and color. These qualities shine through in this vase, with its playful pattern and daring color combinations of black, green, red, yellow, and orange. Blending artistic expression with sculptural form, the porcelain pieces have a distinctly Fauvist feel.
