Dressage Oval Vase

1200-1066

In Stock | New

Overall: 12"h x 16.5"w x 8.75"d

Finish: Bronze

Materials: Cast Aluminum

Item Weight: 12 lbs.

The Dressage Oval Vase is crafted from aluminum in a bronze finish with a patinated verdigris effect. Graceful stallions in dressage circle the vessel, giving it a sculptural, dynamic quality with the sense of movement they bring with their presence. Designed as a decorative piece that can be filled with any number of accents, which does not include fresh flowers because the vase is not watertight.

Due to the artisanal finish, the surface of each accessory could differ slightly.
