In Stock | New

Overall: 35"h x 45"w x 1.5"d

Finish: White / Antique Brass

Materials: Glass / Brass / Iron / Engineered Wood

Item Weight: 36 lbs.

The Daze Rectangular Mirror has a frame made of pieces of milk glass that are joined together by ribs of metal in an antique brass finish. This white decorative mirror with its contemporary profile provides a soft, luminous glow when illumination strikes it. When seen at an angle, the sections of the mirror that float below the frame have twin reflections. Because it is made of an artisanal material, its surface may vary slightly from mirror to mirror.
