Ancient Ram Sculpture

1200-1073

In Stock | New

Overall: 9.5"h x 6"w x 9.5"d

Finish: Beige / Black

Materials: Composite

Item Weight: 7 lbs.

The Ancient Ram Sculpture is crafted from beige composite with contrasting black hooves. A modernized interpretation of the ram, its face and ears are stylized into a bold "T" shape with a sharp point and curved cross edges. The body is carved with textural detailing to suggest woolly fur, blending abstraction with natural reference in this contemporary decorative piece. Due to the artisanal finish, the surface of each accessory could differ slightly.
