## Nasturtium Accent Table

4000-0249

*In Stock | New*

Overall: 24.5"h x 13.75"dia.

Finish: Antique Brass / Patina Brass

Materials: Cast Aluminum

Item Weight: 19 lbs.

The Nasturtium Accent Table is made of cast aluminum in a blend of antique brass and patina brass finishes. Its top tapers gracefully into a slender stem, while leaf-like motifs with a verdigris effect bring a subtle botanical character to the design.

Because it is made of an artisanal material, its surface may vary slightly from table to table.
