*In Stock | New*

Overall: 12.5"h x 18.25"w x 3.5"d

Finish: Beige

Materials: Composite

Item Weight: 17 lbs.

The Architectural Remnant I is made of composite in an antique white finish and depicts a Gothic portico leading to a domed church interior; the overall effect creating the illusion it was carved into cavernous stone. Lightweight yet impactful, this decorative accessory stands over a foot tall, offering the look of an aged architectural fragment in a manageable scale. Due to the artisanal finish, the surface of each accessory could differ slightly.
