The Paonne Accent Table is made of cast aluminum in an antique gold finish and depicts a sculptural peacock perched on a tree limb. Its expressive tail fans outward, extending past the diameter of the round clear glass top for dramatic effect. The retro-inspired design is eye-catching and detailed, as elements such as the puck fastening the glass top to the stem being larger in diameter than the top of the sculpture is highly considered. Due to the artisanal finish, the surface of each table could differ slightly.
