Pince Accent Table

4000-0254

In Stock | New

Overall: 21.5"h x 15.25"dia.

Finish: Black Nickel / Antique Brass

Materials: Cast Aluminum

Item Weight: 20 lbs.

The Pince Accent Table is crafted from cast aluminum with an arched base in a black nickel finish and a subtly convex top in antique brass. Both surfaces feature a hand-hammered texture that adds depth and character to the metal. With its modern Gramercy Park aesthetic and solid construction, this table has a sleek look and a sturdy presence. Because it is made of an artisanal material, its surface may vary slightly from table to table.
