Made of wood in a mix of off-white and fog gray finishes, the Aster 36" Vanity with Rectangular Undermount Sink was inspired by an antique from the Winterthur Museum. The gray and white vanity has two working drawers on the bottom and a decorative panel on top, each of which have polished brass pulls that are warm accents. Part of the Winterthur Collection, the vanity has turned legs that are capped by ferrules to match the finish on the pulls. The white Carrara marble top is fitted with a white rectangular undermount sink.
