Tiana Drinks Table

3000-0319

In Stock

Overall: 10"w x 10"d x 24"h

Finish: Clear

Materials: Optic Crystal

Item Weight: 24 lbs.

The Tiana Drinks Table features six stacked optic crystal forms that telescope toward the top. The clear accent table has chamfered edges on both the stacked base and the tabletop that echo the joinery of the other elements of this design.

The table measures 24 inches tall and the top is 10 by 10 inches, making it an excellent choice when a small, moveable surface is desired.
