## Romulus Green Vase Set of 3

1200-1075

New

---

Overall: 10"h x 4" dia. | 9.75"h x 5.25" dia. | 10"h x 5.5" dia.

Finish: Green

Materials: Porcelain

Item Weight: 6 lbs.

The Romulus Vase Set includes three hand-thrown vases made of porcelain and covered with an extraordinarily fine texture that resembles "Terre Melée," which is the art of combining stamped clays with colored oxides. Because these are hand-glazed, the green surfaces on each piece will vary slightly. The vases favor archeological Greek lacrimal vases.
