Overall: 4"h x 8"w x 11.75"d

Finish: Blue

Materials: Straw / Suede / Engineered Wood

Item Weight: 3 lbs.

The Winter Harvest Box is crafted from wood and covered in straw that was hand-dyed in varied shades of blue. The straw is applied in a dynamic pattern across the lid, giving the box a striking surface design. Hinged for easy use, the box is finished with a black interior and a suede underside for protection. Because it is made of an artisanal material, its surface may vary slightly from piece to piece.
