Odalisque Bronze

1200-0291

In Stock

Overall: 18"h x 19.5"w x 8"d

Finish: Bronze

Materials: Bronze

Item Weight: 23 lbs.

Shipping Method: P/OS

Our Odalisque Bronze sculpture is made from a lost-wax technique when boiling bronze is poured into a mold covering an original wax sculpture that melts away. Once set, there is a very long process of refining the bronze to give it patina. This is among our bronze art pieces created by an unknow artist. We love her femininity.
