Item Weight: 8 lbs.

Shipping Method: P/OS

With a body made of steel, the Paradiso Gold & Silver Accent Table has a lyrical shape inspired by the *Strelitzia reginae*, more commonly known as the Bird of Paradise plant. The limb that arcs up, in a contemporary silver leaf finish, holds a blossom in a contemporary gold leaf finish. The two work in concert to balance the glass top. This silver and gold occasional table is an example of how nature-inspired design elements are driving the biophilic movement.
