The Rolo Rope Coat Rack is a seamless piece of artisanal quality, as the natural rope is painstakingly wrapped by hand around the telescoping legs, the disc that stabilizes them, and the five prongs that splay upward to hold coats, jackets, scarves, and tote bags. Underpinning the wrapped surfaces on the rope coat rack is a wrought iron framework that provides strength and durability, making this a sturdy helpmate in a foyer, an entryway, or a garden room.
