Shipping Method: MF

ETL Certified

The Pathos Round 7-Light Multi-Drop Pendant dangles shades that are true works of art. The orbs have been doused in reactive glazes that make their special qualities known in the antique gold on the top and matte charcoal on the bottom, which will look different when illumination flows through them. The beads on the top were melted into the molten glass just before it cooled to bring even more effervescence the design. This is definitely a fixture for anyone who appreciates individual elements made by hand. The canopy of this piece is luminous in a painted silver finish. This fixture is among Currey & Company's multi-drop pendant collection, which includes multiple configurations.
