Clara is renewed with new finishes and features: the warmth of Vienna straw in a chocolate colour and a wired version of the lamp. With the floor stand accessory for the battery-powered version, available in two heights, Clara gracefully adapts to any setting, blending tradition and innovation, and offering new compositional possibilities for residential or refined hospitality projects. IP65 and Marine Grade protection.

Clara si veste di nuove finiture e funzionalità: il calore della paglia di Vienna nel colore cioccolato e la versione cablata della lampada. Con l'accessorio piantana per la declinazione a batteria, in due altezze, Clara si adatta con grazia a ogni ambiente, tra tradizione e innovazione, offrendo nuove possibilità compositive per progetti residenziali o di hôtellerie sofisticata.
