DESIGNED AND MADE IN CALIFORNIA

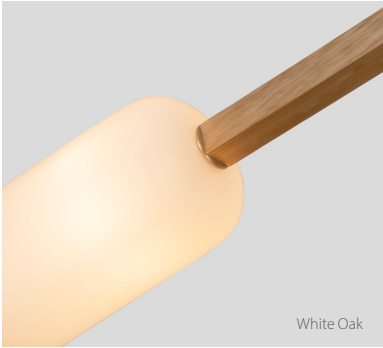

Locus Chandelier

Dark Stained Walnut

Walnut

White Oak

The Locus chandelier tells a story about our design journey. The wood and glass are in balance, exuding both strength and fragility. Wood is Cerno's signature material; the glass is fresh and new, designed and blown by Siemon & Salazar. Cerno and Siemon & Salazar became one company back in 2022. This product is a beautiful testament to what the two unique brands can create as design collaborators. Cerno, Co-founder, and Director of Design Nick Sheridan, describes the Locus chandelier as a moment frozen in time, where the dynamically linked system of parts is paused at a moment of harmony and symmetry.

walnut (CM-001)

dark stained walnut (CM-002)

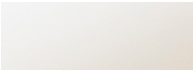

white washed oak (CM-095)

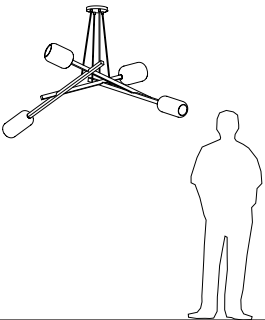

black (CM-030)

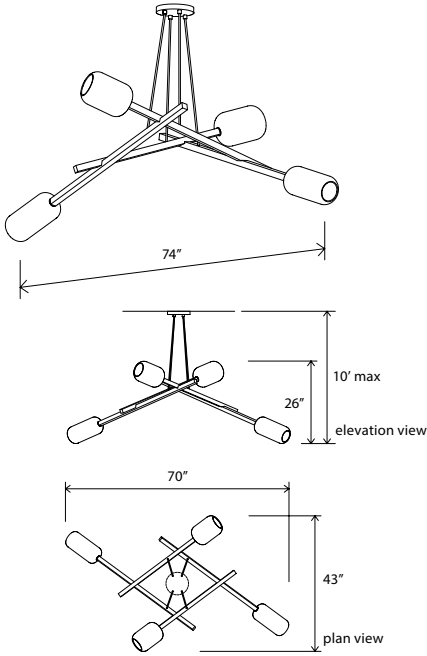

brushed brass (CM-008)

enamel white (GL-245)

Locus chandelier

Plan view bounding box: 70" x 43"
Height: 26" | Product weight: 17 lbs
Materials: glass, metal, wood
Each Locus comes with 4 different glass shades
2x 9.0"Ø x 6.5"H, 3.5 lbs and 2x 11.5"Ø x 5.5"H, 3.5 lbs
Light source: candelabra base E12 socket
Lamping: E12 base, G16.5 lamp, 40 W max; 250 V AC max
Round canopy with cloth covered SJT-3 cables
Canopy dimensions: 7" Ø x 1"
Canopy finish matches Metal Finish
Black cloth cord included with black metal finish
Taupe cloth cord included with brushed brass metal finish
Field adjustable drop length: 30" min, 10' max
Suitable for sloped ceilings
UL listed for damp locations

Locus chandelier part # 09-110-

Glass Finish

enamel white (GL-245)

Wood Finish

walnut (CM-001)

dark stained walnut (CM-002)

white oak (CM-083)

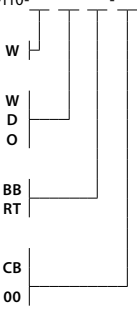

Metal Finish

black (CM-030)

brushed brass (CM-008)

Lamping

bulb included - 2700 K, 90 CRI,
4 W, 350 lumens, 120 V AC
no bulb included

Each piece of hand-blown glass is a unique work of art. Dimensions, weight, and color will vary. When multiple fixtures are installed next to each other, expect some variation in shape and color.

Wood grain will vary. Specifications subject to change.
