DESCRIPTION

The captivating Addis Lighting Collection is a modern-day interpretation of the iconic mid-century Tronchi chandelier. Inspired by its predecessor's sleek lines and geometric shapes, the Addis features a polished Chrome or Aged Brass metal frame that exudes sophistication and style. Its unique design showcases transparent tiers of textured Tronchi glass tubes, forming a mesmerizing 5-point rounded star shape. Choose from a range of glass colors, including clear, amber, smoke, and white, or the stunning Autumn option, which features a captivating multicolor disposition of amber, clear, and smoke Tronchi glass. The Addis Lighting Collection offers various sizes and finishes, allowing you to find the perfect fit for your space while adding a touch of timeless elegance.
