WARNING:

Electrical Danger

Turn Power off

All electrical components must be installed by a licensed electrician in accordance with the National Electric Code and the appropriate local electrical codes.

You will need 6 Candelabra Base Bulb
40 Watts Recommended 60 Watts Max.
USE LED BULBS FOR EXTENDED USE
This fixture is Dry rated

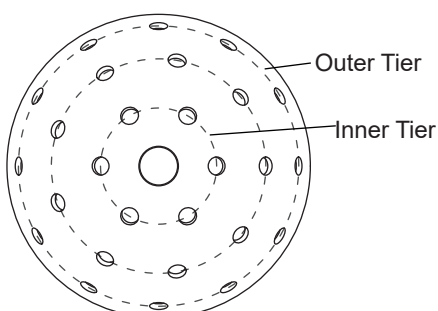

How to install

1. Decide the preferred hanging height and choose the correct length of rods needed. Feed the fixture wire through the rod and screw it onto the coupler. (Loosen the set screw if the rods can not be screwed all the way down).
2. Install the mounting bar onto the outlet box using the two mounting screws.
3. Slip the collar ring and canopy down over the end of the rod. Raise the fixture up to the ceiling, then connect the fixture loop to the collar loop with a quick link.
5. Feed the wires carefully through collar loop and nipple. Connect the electrical wires as shown.
6. Carefully raise the canopy up to the ceiling and secure with the collar a ring.
7. Install the bulbs into socket.
8. Starting from the center and inner tier, screw the stem and crystal flower into the fixture body as shown on the diagram. Do not over tighten to avoid breaking the glass.

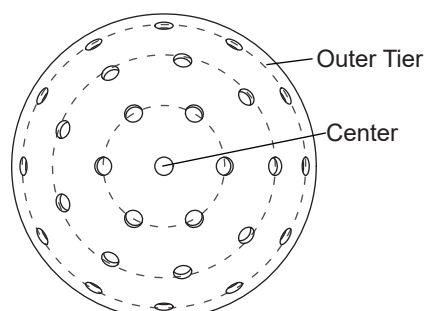

Glass Sets

- | | |
|-----------|---|
| 1.70 sets | Stem(metal stem L8 3/8+glass stem 7 1/2") |
| 2.70 pcs | Crystal flower |
