

CRYST RAMA

LIGHTING THE WAY FOR SIXTY YEARS

ASSEMBLY INSTRUCTION MODEL # DRB-7005-SG

Crystorama.com

WARNING:

Electrical Danger

Turn Power Off

All electrical components must be installed by a licensed electrician in accordance with the National Electric Code and the appropriate local electric codes.

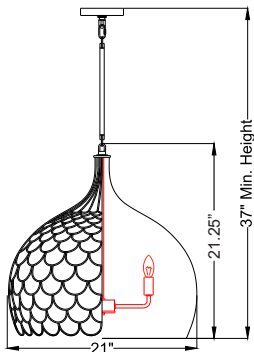

You will need 5-Candelabra Base Bulb
40 Watts recommended 60 Watts Max.
USE LED BULB FOR EXTENDED USE
THIS FIXTURE IS DAMP RATED.

How to install

NOTE: When installing the fixture, please rest the capiz shell frame on the PU foam that is put inside the bottom of the box. Handle with care during the installation of the fixture.

1. Decide the preferred hanging height and choose the correct chain length needed.
2. Install the mounting strap onto the outlet box.
3. Screw the rod onto the loop and feed the wire through the chain link and chain. Hook one end of the chain link onto the loop of the rod and the other end onto the collar loop. (To prevent the paint from being scratched off, please do not remove the bubble wrap around the loop until the fixture is fully assembled).
4. Raise the fixture up to the ceiling and do the wire connections. Secure the canopy to the ceiling with the collar ring.
5. Insert the bulb (not included) onto the socket.

WARNING: This product can expose you to Lead, which is known to the State of California to cause cancer and/or birth defects or reproductive harm. For more information go to www.P65Warnings.ca.gov.
